Contest Rules

1. The annual Professional Business Writing Contest is open to individuals and groups of students who have taken Writing 109AC and Writing 109EC. The focus of the contest sometimes varies, but for the 2007-2008 academic year, the contest will give awards for the best business plans.
2. Entries may be collaborative, must be at least 10 pages long, and must be first-time submissions.
3. A panel of professional writing instructors will select the top six submissions for review by a panel of business community judges. The community panel's decision will be final.
4. Instructors will explain the business plan criteria in all Writing 109EC and AC classes.
5. Contest finalists will receive recognition and awards in a ceremony in May 2008. We encourage all candidates to attend the ceremony, but they need not be present to win.
