Cell Phones and Distraction

Cell phone distraction causes 2,600 deaths and 330,000 injuries in the United States every year, according to the journal's publisher, the Human Factors and Ergonomics Society. To explore this we are going to run a small experiment, using cell phones and not using cell phones.

Without Cell Phones
1. Take my age, 40, and multiply it by number of days of STEP, 9
2. Divide by number of English Instructors, 5
3. Add yourself to the answer.
4. Your total?

With Cell Phones
1. Take 18 (close to our average age) and multiply it by number of days of STEP, 9
2. Divide by number of English Instructors, 5
3. Add yourself to the answer.
4. Your total?
