Work with Student Paper (20 min)

Step One
Read sample paper in your group, and then do the following:

Find and underline:
• The thesis.
• All topic sentences for each paragraph.
• All quotes.

Step Two
Answer these questions:
• What are some things this author did well in this paper?
• What are some things that the author might work on?
• What are some questions you might ask the author?
• What are some suggestions you would make to the author?
