Globalization Orientation

**Step One**
We will go over definition at

**Step Two**
Go to http://www.theglobalist.com/StoryId.aspx?StoryId=4527, and find one fact that surprises, amuses, or horrifies you—be ready to talk about that fact.

**Step Three**
Next, find a particular country mentioned in the facts list at http://worldatlas.com/webimage/countrys/find.htm. Find one thing that might account for the fact that you listed in the map?

**Key Question:** What does it mean when Friedman says the world is flat to people in the US, China, and the rest of the world?
