Presenting Practice (15 min)

**Step One**
Bring up the slides you’ve created for today, plus any other ones you have.

**Step Two**
Create some notes for the slides you have, get into groups of three, and then present a few slides to each other.

**Step Three**
After each presenting, go over these questions for each presenter:
   a. What did the presenter do well?
   b. What could they work on?
   c. What advice would you give to the presenter?

**Step Four**
