

## In Class Writing for Day One

Take fifteen to twenty minutes to respond to the prompt below. Do not worry about grammar, and simply write what occurs to you. I will respond to this, but it will not receive a grade.

**Prompt:** What sort of career do you want after college, and why do you want that *particular* career? Describe, in as much detail as possible, what the career will entail, how it will reward you, and the meaning it will have in your life.
