Anticipation Guide

Take about three minutes and answer yes or no to each of the questions below on a piece of scratch paper—be ready to discuss your answers as a large group.

1. Americans work too hard at the turn of the 21st century.
2. Work needs to be emotionally rewarding.
3. My future career is what brought me to college.
4. Computers, cellphones, and other modern devices have made our lives easier in the 21st century.
5. I expect to be better off than my parents were.
6. I will work as hard as I need to so that I can provide for my family.
