Linking it up Exercise

Step One
We will go over a set of linking words, get some feedback as to what to work with, and what to add to list. The list is located at: http://owl.english.purdue.edu/handouts/general/gl_transition.html.

Step Two
After that, go to http://web2.uvcs.uvic.ca/elc/studyzone/570/pulp/hemp5.html, and see how you do on the attached online interactive quizzes.

Step Three
Time allowing: Use linking words to write a paragraph that might appear anywhere in your paper.
