Grading a Lesson Plan

Step One
After reading the assignment sheet, underline anything you must do with the lesson plan assignment and circle everything you want clarification on.

Step Two
Use the rubric to evaluate, individually, the lesson plan.

Step Three
In a group of two or three, discuss the questions below:
• What did the teacher do well? What did you mark highest?
• What does the teacher need to work on?
• Give them the grade that you gave it.
