What I Know Exercise? (20 min)

**Step One (Seven Minutes):** choose a topic to work on, and then put topic at top of the page, and then answer the following question: what do I, right now, know about this topic? (List for seven minutes)

**Step Two (3-5 Minutes):** Next, answer this question: what do I want to know about this topic?

**Step Three (3-5 Minutes):** Finally, answer this question: where can I get information for this?

**Step Four (5 Minutes):** Post, and walk around. If you know something add it, and give your name. If you know a good place to go and get information, then do that.
