Discussion of Bronson (30 min)

**Step One**
Take a stick note, and use the sticky note to mark the page with the thing that Bronson said that had the deepest impression on you.

**Step Two**
Once you’re done selecting your quote, share it with two others, and then, in your group, come up with three discussion questions. Use the questions below as models

**Sample Questions:**
- Why does Po Bronson start his piece with the sentence, “We are all writing the story of our life”?
- Why is Mary Ann Clark, the mother profiled by Bronson, in a book about people’s jobs?
- Why do you think Mary Ann Clark is, or is not, happy with the choices she made?

**Step Three**
You will ask your discussion questions to your peers and lead a discussion of the text.
