The Hits

**Step One**
Go to:  [http://top40-charts.com/chart.php?cid=27](http://top40-charts.com/chart.php?cid=27) and take a look at current hits. What do you notice about the type of music that is most often in the top 40 at this moment?

**Step Two**
Come up with a hypothesis about why this might be.

**Step Three**
Be ready to share your hypothesis and discuss how you would test it out.
