Cover Letter Creation

Step One: read http://owl.english.purdue.edu/owl/resource/527/01/.

Step Two: work with the “blah cover letter”, for an internship—making it better. It is located at http://www.salisbury.edu/careerservices/Students/CoverLetters/GoodBadCoverLetter/Cover1.html. To work with it, cut and paste it into MS Word.

Step Three: post your cover letter, when done, to “cover letter examples” in our moodle page.
