Next Steps: Planning for Your Presentation or Paper

**Step One**
Read this: [http://owl.english.purdue.edu/handouts/general/gl_computer.html](http://owl.english.purdue.edu/handouts/general/gl_computer.html)

**Step Two**
Try out one of the following ways of thinking over the whole of your paper:

c. Clustering: See example at [http://www.gabrielerico.com/Main/ClusteringSampleVignettes.htm](http://www.gabrielerico.com/Main/ClusteringSampleVignettes.htm), then go into word and create, using the drawing tools, your own cluster.

d. Freewriting: See information about freewriting, located at [http://www.wikihow.com/Freewrite](http://www.wikihow.com/Freewrite), and then freewrite.

**Step Three**
Be ready to share your ideas and questions with the class.
