Panel Members:

Step One
Get folks to form groups of three or four, and then do the following:

Step Two
In your groups, go around and talk through what you would, individually, like to present on. Write your name and subjects below.

<td>Topic:</td>
<td>Topic:</td>
<td>Topic:</td>
<td>Topic:</td>
</tr>
</tbody>
</table>

Step Three
Next, see if you can come up with a theme that unites your disparate topics together. If you can, write it down. Write down several if you’ve got the time.

Themes:
1. 
2. 
3. 

Step Four
Next, if you have a theme, discuss how to divide up the elements of the theme/presentation. Write down what everyone will be doing below. **Be sure you can commit to what you are doing.** If you do not have a theme, then write down the order of presenting, and write down some ideas for how you can graphically make your presentation coherent.

Step Five
Finally, exchange emails/phone numbers/and other important information. **Write down all this information, and email it to everyone in your group AND to Chris (cdean@writing.ucsb.edu).**
