PowerPoint Play and Panel Formation

**Step One**

**Step Two**
Watch Chri’s PowerPoint on PowerPoint.

**Step Three**
Come up with three slides that you would use, at this point, to present your research—keeping in mind what we have just talked about. If you want practice, or are willing to share, upload your masterpiece to “Sample PowerPoints” under today’s date.

**Step Four**
Next, we’ll create master list of topics and names of folks, and, once you get together with like minded folks, Talk about the following:

a. How might you organize 30 minutes of time in class, for your group of three to five folks?

b. Would you use PowerPoint?

c. Would you have an over-riding theme?

d. How would you engage folks in your presentation?

e. **Key Question:** What would you have to do to really get started on this presentation now?
