Stump Your Classmates (20 min)

Step One
Get into groups of three. Then, using noodle bib express (located at http://www.noodletools.com) or endnote (https://www.myendnoteweb.com/EndNoteWeb/2.1/release/EndNoteWeb.html) and the information from the sites below, figure out how to, with a piece you just located, to stump your classmates.

Step Two
Print up a document, that you will hand to another group to cite. Then, as a group, figure out how to cite the piece in MLA and APA.

Step Three
Then swap materials with another group and figure out how to create an MLA and APA citation.
